

## **CAMP DIRECTOR – MISSOURI**

Since 1969 Wonderland Camp provides residential camp experiences during the summer and multiple spring and fall weekends for campers of all ability levels and for all ages beginning at 6 years old. During the camper's time at Wonderland, we create an individualized experience for each camper by providing exemplary personal camper care, a wide variety of accessible programming including ropes courses, a climbing wall, splash pad, swimming and other traditional camping programs including arts and crafts, fishing and boating on the Lake of the Ozarks, voted the best recreational lakes in the USA.

The Camp Director manages a variety of aspects of camp life. The job of the Camp Director is to support the work of the Executive Director as well as the rest of the team to carry out the mission of the camp. During the camping season, the Camp Director, will be responsible for camp operations including managing our 100+ seasonal staff (during the summer, less during the weekend sessions), assisting with clinic and kitchen needs and ensuring the Program Staff is equipped for success. When camp is not in session, the Camp Director will focus upon recruiting staff, increasing camper interest in Wonderland Camp, developing the next years' programs and increasing utilization of the camp facilities.

Start date for this full-time position is negotiable, we would like for interested candidates to see the camp in operation this summer and are willing to wait until after the summer concludes for the right candidate. The ideal candidate will need to:

- excel at creating and communicating goals and objectives including the abilities to effectively provide feedback and resolve conflict.
- manage multiple projects while streamlining systems and processes.
- handle stressful situations and make rational and timely decisions without loss of poise, grace or humor.
- work independently as well as be a strong team player.
- understand ACA standards
- have experience with people with disabilities.

A 3-bedroom house is provided for the Camp Director and family to reside.
